Please find attached a Statement reflecting views of South African [Business](#) and a Commitment to a net zero 2050 Just Climate Transition. The views of South African [Business](#) on South [Africa](#)'s NDCs (Nationally Determined Contributions) are also expressed.

About the National [Business](#) Initiative (NBI):

At the National [Business](#) Initiative (NBI), we believe in collective action and collaboration to effect change; [building](#) a South African society and economy that is inclusive, resilient, [sustainable](#) and based on trust. We are an independent, [business](#) movement of around 80 of South [Africa](#)'s largest companies and institutions committed to the vision of a thriving country and society. The NBI works with our members to enhance their capacity for change, leverage the [power](#) of our collective, build trust in the role of [business](#) in society, enable action by [business](#) to transform society

and create investment opportunities.

About [Business](#) Unity South [Africa](#) (BUSA):

BUSA, formed in October 2003, is the first representative and unified organisation for [business](#) in South [Africa](#). Through its extensive membership base, BUSA represents the private sector being the largest federation of [business](#) organisations in terms of GDP and employment contribution. BUSA's work is largely focused around influencing policy and legislative development for an enabling [environment](#) for inclusive growth and employment.
